public good in making up the committee on temperance The whole world wants to buy the best. The best is our bid for your business. Our Fall and Winter buying has been done with a view of offering you the best qualities at the best figures. Superior goods, prices that surprise, will be found in each department and grade of our immense new line of goods. Never before have we been able to offer so large and varied an assortment of fresh and pleasing styles. Our line is full of the very best grades of new and popular styles in seasonable goods. We offer such a variety that choice in selection may be gratified to the fullest extent. We have seen to it that these goods shalt be as satisfactory in quality and wear as they are

# Gratifying to The Eye.

Our stock is a thoroughly good stock in every respect. You will find it good because are not only trusto, but desirable and serviceable; good because its assortment is varied and complete; good because it shows full, honest valne for the price, every time. A grand kick against old fogy business ideas is one of little jobs we have on hund this cason. The old basiness rule is "Chave all the profit the customer will stand." To this proposition we say: no, sir, not any of that for us. What we propose to do is, charge as little profit as we can stand, and we are not in business for our health either. We like to make money, but we are convinced it can not be done plundering the public. ". I close price makes a sale and a friend" Will take ours at way. Close Prices, Good Friends, Plenty of Sales.
